

**Alegria**<sup>®</sup>  
by PG Lite  
Fall/Winter 2014

# Our Foundation

A colorful pattern alone does not make a shoe an “Alegria.” It is our footbed -- the foundation of our shoes -- that makes Alegria by PG Lite® stand out from the rest. You will feel the difference in comfort and support from the minute you put on a pair, and here’s why:

## Women’s Classic Footbed

- Patented interlocking technology secures footbed to outsole
- Engineered with cork, soft polyurethane & memory foam with leather cover
- Conforms to natural contours of the feet to create customized arch support
- Removable & available in medium & wide widths in sizes 34 to 43.

## Women’s Career Fashion Footbed

This unique footbed specially designed for our Career Fashion Collection offers something not readily available in the market today – a medium and wide fit option in a pair of wedges or heels:

- Cork, soft polyurethane and memory foam padding for added arch support not commonly found in a wedge or heel
- Designed to alleviate pressure on heel & ball of foot
- Leather cover
- Removable & available in medium & wide widths in sizes 35 to 42.

## Men’s Classic Footbed

- Patented interlocking technology secures footbed to outsole
- Ventilation grooves to reduce heat & improve air circulation within the shoe
- Engineered with cork, soft polyurethane & memory foam with leather cover
- Long lasting arch support
- Removable & available in medium & wide widths in sizes 40 to 48.

# Our Story

Alegria by PG Lite® started with a simple idea in mind – to create a comfortable shoe with personality and brightness that invokes *happiness*. We bring that concept to life by designing shoes using rich supple leathers and vivid prints, and then pairing each distinctive creation with our specially-formulated patented footbed. With over two decades of experience dedicated to comfort footwear, our footbed design offers ample arch and heel support to help relieve stress on legs, hips and back from long hours on the feet. Available in casual wear, professional wear, sandals, wedges, heels and boots, there's blissful comfort to be found in every style. Explore the many facets of happiness here. Alegria – This Is What Happy Looks Like®.
