OUR STORY

Alegria by PG Lite® started with a simple idea in mind - to create comfortable shoes that invoke happiness. We bring this concept to life by designing shoes using supple leathers, vivid prints, and then pairing each distinctive creation with our patented footbed.

With over two decades of experience dedicated to comfort footwear, our footbed design offers ample arch and heel support to help relieve stress on the legs, hips and back from long hours on the feet. Available in casual wear, professional wear, sandals, wedges, heels, and boots. There is blissful comfort to be found in every style.

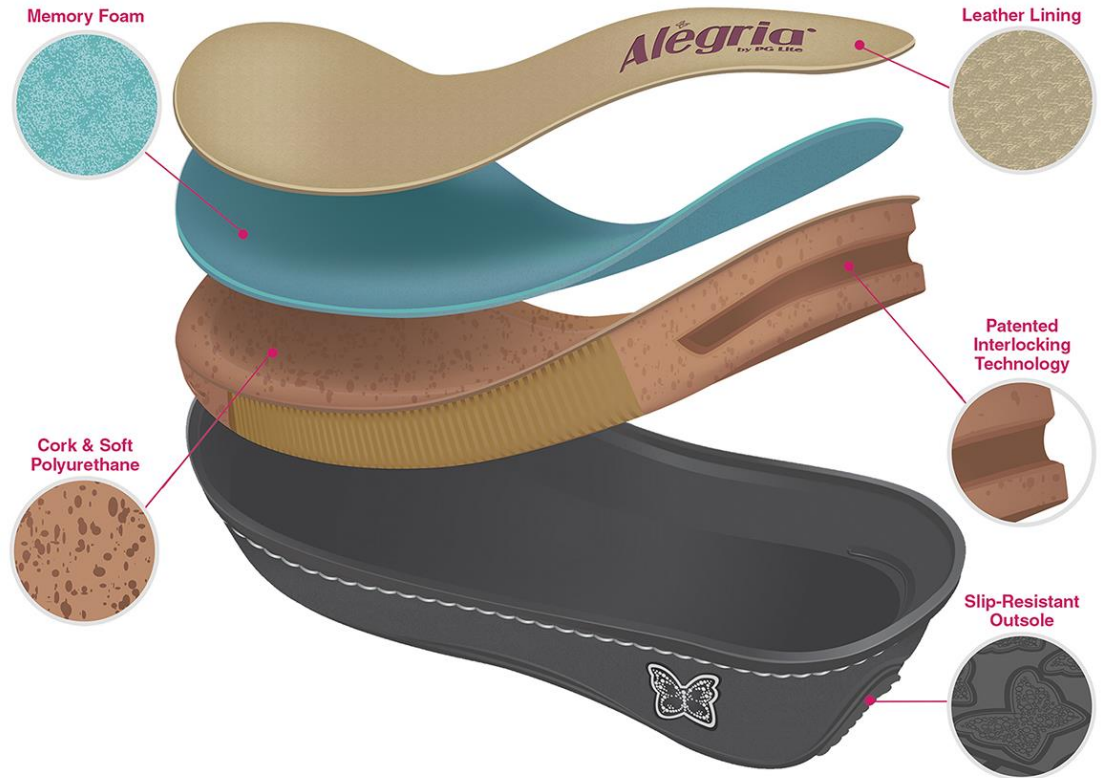

This is what Happy looks like®

OUR SECRET

The Alegria footbed - the foundation of our shoes – is the secret behind every pair of Alegria shoes. The signature Classic Footbed is comprised of specially formulated soft polyurethane, cork, and memory foam and ergonomically designed to fit the natural contours of the feet.

With our patented interlocking technology, this removable footbed is firmly secured into our slip-resistant, mild-rocker outsole for use on any surface.

This is what Happy looks like[®]

PERFECT FIT FOOTBED

Alegria creates comfortable shoes with an anatomically correct, patented interlocking footbed system with arch support loaded soft polyurethane, memory foam, and cork to craft a “perfect fit” every time by forming to the natural contours of the foot.

COLOR THERAPY

Brilliant patterns, gorgeous metallics and everything in between. Alegria has a color to express your every mood. Each upper is printed on supple natural leather in beautiful patterns and designs and finished with Alegria’s signature butterfly.

MILD ROCKER OUTSOLE

Engineered to roll naturally, Alegria’s rocker bottom outsole aims to emulate the natural walking motion to promote better posture, reduce stress on muscles, joints, and back to give you energy all day long.

OUR FOOTBEDS

MEDIUM WIDTH

- Patented interlocking technology secures footbed to sole.
- Engineered with leather, memory foam, cork, and soft polyurethane.
- Conforms to natural contours of the feet to create customized arch support.

WIDE WIDTH

- Patented interlocking technology secures footbed to sole.
- Engineered with leather, memory foam, cork, and soft polyurethane.
- The Wide Width is thinner than the Medium Width by 2 millimeters to allow feet to sit deeper into the shoe where the shoes are widest.

SPORT LEISURE

- Engineered with leather, memory foam, cork, and soft polyurethane.
- **Removable shim** allows for a wide width option.
- Removal of shim allows feet to sit deeper into shoes where the shoes are widest.
- Only found in the **Essence** Collection.
